Command and Conquer: Generals - Zero Hour (Generals Zero Hour GZH) is an isometric real-time strategy video game released on a Windows PC/Mac/Linux Operating System by EA Studios in The United States and Electronic Arts UK in the United Kingdom. On September 11, 2008, EA announced that the title was going to be re-released with new features, better graphics and a Windows XP version. The game has been updated a second time in March 2010 with a Mac OS X version. Command and Conquer: Generals: Zero Hour is a Real Time Strategy (RTS) video game that was developed by EA Los Angeles and published by Electronic Arts. The game was released for Microsoft Windows and Mac OS X in June 2009. Command and Conquer: Generals: Zero Hour is the first Command & Conquer to be developed for the new GENERALS PC Engine, a handheld gaming console developed by Koei. Koei/Sega Games on the website of Steam marked the game as the June 2009 Game of the Month. Koei also announced that the game would be available for free for a limited time, due to the success of the game. Command and Conquer Generals: Zero Hour is also the first Command & Conquer game to have a GZH edition. I post the No-CD/No-DVD patch for Generals and Zero Hour. What is a No-CD/No-DVD Patch? First, you need to get the game in CD or DVD format. How do I get it in CD/DVD format? Below is the no-cd patch for Generals. Command & Conquer: Generals - Zero Hour for Linux!
