Description Adobe Premiere Pro CC 2018 V11.1.0.222 (x64) Portable. description. Adobe Premiere Pro CC 2018 V11.1.0.222 (x64). Welcome to PCSTATS Forums!.I am not your typical running junkie. For starters, I run in Doc Martin (sock, tights, belt) and really dislike the casual lace-up. I also refuse to wear compression shorts on my back or bibs on my knees, due to past injuries. I run with my headphones in, so you'll often find me chatting with friends, family, or myself on the treadmill. Running to Read: Susan Gordon's The Woman Upstairs. This is the first and only book I've read by Susan Gordon, and I'm so glad it's a page-turner. It's about a woman in a 1930's immigrant neighborhood of New York City who develops an obsession with reading the Bible. If you like reading in bed, this one is for you. -- Casey's Box: Casey L. Powell's (mostly female) takes on life as a professional writer. I think she's a gifted writer, and this is a great writing sample on how to work while moving from pre-baby to parenthood. -- The Trans Siberian Railway: This story spans the entire first half of the twentieth century. I rarely have more than four books on my nightstand at once (unless I'm traveling), so this read-in-one-sitting thing can be a little intense. I've found myself dreaming about the writing and story, and even trying to memorize the words. I found the Facebook group for the series, but I haven't really felt the need to join up. -- Goodnight Stories for Rebel Girls: I love listening to Lee Jeans' stories. She does a great job of combining both stories and history. These are short stories, usually between 100-300 words, but a mix of fiction and non-fiction. -- The Nostalgia of the Real: I'm reading this right now, and I can't quite explain why

it's moving me in so many ways. It's a look at everyday interactions between friends and family
