A fantasy action role playing game, released by Devolver Digital Inc. It delivers a form of fantasy role playing game, such as classic JRPGs and action RPGs, by combining action combat, personality development, and a storyline. The game features a vast, open world in which you can freely travel and explore. A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. You will take on the role of a person, born between the lord of the lands and the spirits of nature, who will confront the various monsters that ravage the Lands Between in order to become a powerful and prestigious lord who governs the lands. In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. You can join forces with other players in order to travel

the Lands Between together. Players who gather together can participate in a variety of cooperative actions, from rescuing people to battling the monsters that threaten the world. Each action of the players has their own rewards. As the quest continues, the rewards you receive will help you progress your character's character growth. Game Features: * A fantasy action role playing game featuring a vast world * A form of fantasy role playing game, which combines action combat, personality development, and a storyline * A vast, open world in which you can freely travel and explore * A game that allows players to change the game equipment according to their play style, such as increasing their muscle strength to become a strong warrior, or mastering magic * A form of fantasy role playing game in which players can freely connect and interact with others through online play * In addition to the main story, there are various quests that can be obtained via exploration * Players can engage in a variety of cooperative actions, such as rescuing people and battling the monsters that threaten the world * Players can change the game equipment according to their play style * Players can freely combine the weapons, armor, and magic that they receive as rewards when they complete the quests * Players can freely make their own choices in the game via events that occur during the story * The game features both PvP combat and online play, and players can freely switch between
