I don't have a lot of time to use this app as I currently have it set up as a mute timer for the week, as there are so many big movies coming out, this would be perfect. It would be great if you could add a mute indicator for the latest movies as well. Other than that I love the app. Overall Rating Title Search Sort By Show Newest Oldest Most Helpful Most Recent 3.00 Mesa D. Nov 30, 2017 Extremely Useful! I like this app. I find it very useful when I'm trying to find a movie. The export option is very handy. It's free with no in-app purchase. Highly recommended.
