The Central Coast Mariners have bolstered their squad for the Hyundai A-League 2015/16 Season, resigning Ryo Okugawa and Bruno Cirne. The 25-year old Okugawa, who starred for City in the 2014/15 season, will return to the Mariners for a third season. As the club's leading scorer last season with 13 goals, Okugawa was no stranger to the victory, and he was instrumental in the Central Coast's A-League title last season. "We are happy to have Ryo back in 2015/16," said Mariners Head Coach Graham Arnold. "His great play earned him both the A-League Young Footballer of the Year and Breakthrough Player of the Year awards. "Ryo has a calm and composed style of play and he has been a great addition to the team and the squad. We look forward to seeing his experience and quality in 2015/16," said Arnold. A hard-working and clean-cut allrounder, the athletic Okugawa has gained a reputation of a 'next generation' football forward, with his playmaker style often leaving big boots to fill. Cirne also returns for his third season at Central Coast Mariners, having spent the previous two seasons with the club. The versatile Australian made 41 appearances in his first two seasons with the Mariners, and his dynamism was always a hit in the central defensive position. "Bruno has been a great servant for this football club over the last couple of seasons," said Arnold. "He played a vital role in the team last season and we expect him to be a real asset for us this season." The head coach has announced the signing of two important young forwards to the squad, with the newly re-signed Brazilian striker Gustavo dos Santos and Balzan-born youngster Danny De Silva being added to the squad. With nine appearances for the Brazil U-20 side last year, Dos Santos has been tipped as a future star of the national side. A powerful c6a93da74d
